

## **Harshvardhan Chamria – Chief Strategy Officer, Magma Fincorp- Housing Finance & SME Biz**

Harshvardhan Chamria is Chief Strategy Officer for Magma Fincorp's Mortgage and SME businesses, he heads the SME Business and leads Product Development and Digital Innovation. He is responsible for defining strategy, launching new credit-products, leading Sales, Credit and Collections teams, and managing the P&L of the SME Loans business at Magma Fincorp. SME Loans are one of the fastest growing products at Magma. Our investments in FinTech innovation projects focusing on technology-enabled scoring models, document parsers and tech-API's for automated underwriting drives growth.

Harsh is a Director on the board of Experian India (credit bureau), and is part of the Strategic Advisory Group at Experian. He also serves as an angel investor and advisor to a handful of FinTech startups in India. Harsh is a member of the Entrepreneur's Organization (EO) Kolkata, and he is also a founding member of YPO Next Gen (YNG) Kolkata.

Harsh graduated from Cornell University, majoring in Electrical and Computer Engineering. He completed his MBA from Stanford University.
