

AKHIL HANDA

Head, Fintech & New Business Initiatives and Advisor to MD & CEO,
Bank of Baroda

Mr. Akhil Handa is the Head, Fintech & New Business Initiatives. Mr. Handa is helping with the digital strategy of the bank with a view to transform the bank into a leading digital bank of the country.

Mr. Handa has setup the Fintech and New Business Initiatives department at the Corporate Office of the bank which is leading the charge to partner and co-create with Fintechs across India, and is considered an early mover in Fintech in India. This was the 1st Fintech Vertical amongst all PSBs in India. His areas of interest include digital bank, payment solutions, payment bank, contactless cards, algorithmic underwriting, advanced analytics, API banking, etc.

Mr. Handa has spent over a decade with varied emerging Digital Technologies, started up twice - a Fintech and a Mediatech company, donned analyst hat at JP Morgan and lead some of PM Modi's digital initiatives.

By training he is a B.Tech in Chemical Engineering from IIT, Delhi.
