

***Nitin Rao graduated in engineering from the College of Engineering, Pune in 1988 and later followed it up with a Post Graduate Degree in Management from the Symbiosis Institute of Business Management in 1992. He is currently the Chief Executive Officer of Reliance Wealth Management Limited, who he joined recently. He has had a multi disciplinary career of 28 years across equity research, stock broking, product management, private banking, distribution of different investment products and managing high net worth banking programmes. About 19 years of his career has been spent in HDFC Bank Limited, where as a wealth management specialist he played a key role in building a number of wealth businesses and products ground up into significantly dominant leadership positions backed by many industry accolades. At Reliance Wealth Management, he is seeking to build a differentiated model covering low cost options in mutual funds around advisory, etfs and direct equity with a focus on asset allocation and logical diversification, in a rapidly changing regulatory environment***
