

V. R. Govindarajan (Govi)
Co-founder, Perfios

V. R. Govindarajan is the co-founder and Director of Perfios Software Solutions Private Ltd. He received his MS in Computer Science from the University of Massachusetts, Amherst and a Bachelor's degree in Electrical and Electronics from IISc, Bangalore.

Mr. Govindarajan is a renowned figure in the IT industry with more than 32 years of experience, in both US and India. He has been the co-founder, CTO and member of the Board at Aztecsoft, a pioneer in the Offshore Product Development space, prior to co-founding Perfios Software Solutions.

Under Govi's technical leadership, Aztecsoft achieved the milestone to be a strong technology-oriented company which went public in the Indian markets with operations in India, US and Europe. Earlier in his career, Govi has worked extensively in the database technology area with Digital Equipment Corporation (DEC) and IBM. He is quite active in the database technology community and is part of various conferences organized in India and elsewhere.
